Citizen Science Weekend

The wildflowers are all popping so this is going to be a great weekend. Join us for one day or both. Camp over at Yabberup Hall if you need. Email us at promotepreston@gmail.com to register and get more info. (Note the email in the last newsletter was incorrect).

CITIZEN SCIENCE CAMPOUT

Develop your citizen science skills in monitoring flora and fauna

October 6 & 7

Learn more about who lives in the Jarrah / Marri bushlands of the South West from local citizen science enthusiasts.

Locals will surprise us with a pop up bush cafe for lunch and offer some hearty soup for dinner.

BYO your camp gear and stay overnight.

Meet Saturday 11am at Yabberup Hall.
You will ready to head home by Sunday 11am.

This is a free event and donations are welcomed.

Have your Say | Collie Shire Trails

This may interest you. Collie Shire is putting up the hand to become a Trails town. They have released a plan and are inviting comments. Some of their proposed activities cross into the current and our proposed Greater Wellington National Park. Promote Preston's [strategic plan](#) aims to support active engagement with our proposed park. We are also keen to support disability friendly options, promote Aboriginal knowledge and support citizen science activities.

You can read the full draft Trails Strategy @ www.collie.wa.gov.au/wp-content/uploads/2018/07/Shire-of-Collie-Trails-Strategy-2018-2021-Community-Consultation-1.pdf
